Fellow North Texas ACP Members,

I hope this email finds you dry from all of the torrential rains. Our rain gauge has logged 5 inches of rain the past two days! Stay alert to flash flooding; while water is soft it can also be very hard.

Enclosed is the June News Bites for your summer reading list.

One addition you will want to be aware of: the chapter officers will be providing LUNCH July 11th at Boy Scouts of America! Take the time to hear the panel discussion on communicating with executives with special guest Cheyene Marling and join us for lunch.

News Bites

July 5, 2017

Welcome to News Bites for the North Texas Association of Continuity Professionals

ACP MISSION
Everything we do professionally and as an organization is dedicated to saving lives, protecting businesses and fostering community resiliency.

President's Comments

President's Comments – July 2017

Happy summer to all my fellow North Texas ACP members! I do hope you are doing well and enjoying yourselves.
Has anyone completed the application for the North Texas Chapter scholarship? Don't miss out on this opportunity for free registration to the 2018 DRI Conference! Details and the application are available on the Resources page of our web site >> http://chapters.acp-international.com/northtexas-resources. If you are interested, please print and sign the application then get it to me or one of our chapter board members and we'll begin tracking your contributions to our chapter.

Speaking of contributions. July will be your opportunity to participate in our facilitated discussion of executive engagement. We have none other than BC Management's Cheyene Marling joining us via phone to contribute her own guidance and experience. Bring your questions, problems and especially your expertise as this promises to be an interesting topic to explore.

You may notice a logo gracing our web site and newsletters. Zerto has signed on as a chapter sponsor. We are thankful for their support and we look forward to hearing from them at an upcoming meeting!
As you know, I'm always eager to hear new thoughts and ideas to help grow our chapter and improve the benefits we provide to our members. Feel free to reach out to me directly any time (mark.armour@brinksinc.com). Thank you for your membership!

Here is a quick overview of what is happening in your ACP Chapter over the next three months.
