# Activating Your EOC: Who is Joining You?

A Workshop and Exercise from a  
Private Sector Perspective

It could be earthquakes, severe weather, utility failure or other cause, but you realize you need to activate your Emergency Operations Center to respond and recover effectively.

- ~ Who needs to be there?
- ~ Where are they gathering?
- ~ What resources will they need?
- ~ Will they know how the EOC is organized?

This workshop includes:

- ~ Incident Command System basics
- ~ Virtual Tours of various EOC's
- ~ Communication links to your public sector EOC
- ~ Tabletop Exercise – EOC Activation: The First Hour

BICEPP brings together experienced emergency managers to share answers and discuss ideas that work for their business and may work for you. The components of the tabletop exercise will be provided to all attendees to take back to their organization.

Attendees Who Will Benefit:

- ~ Private and Public Sectors
- ~ Emergency Managers
- ~ Facility Managers
- ~ Human Resources
- ~ Business Operations Management
- ~ Finance
- ~ Anyone you want in your EOC
