

North Texas ACP

ACP ASSOCIATION OF CONTINGENCY PLANNERS - Providing a powerful network for the advancement of the industry and the development of business continuity professionals.

VOLUME 1, ISSUE 11

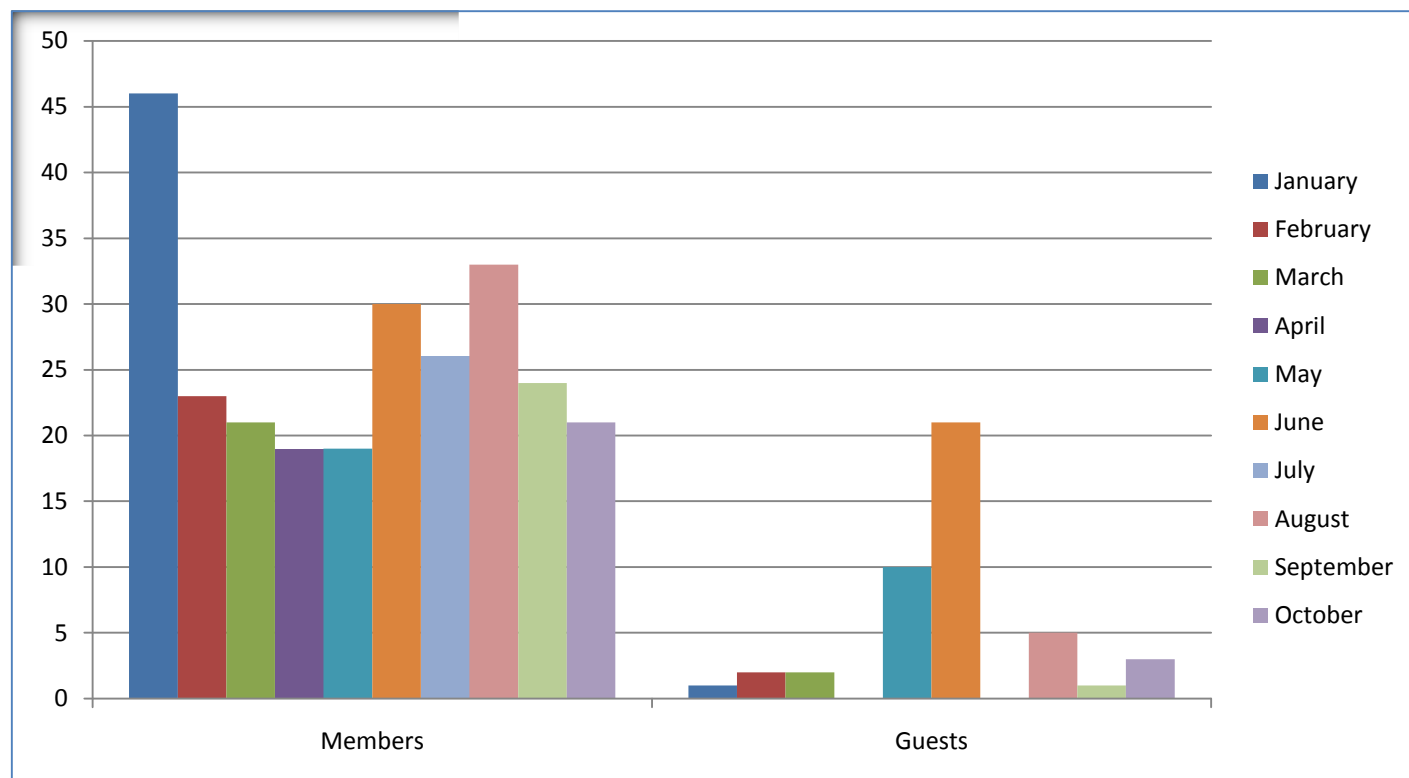

NOVEMBER 2010

Quote of the Month

“The tendency of an event to occur varies inversely with one's preparation for it.”

David Searles

North Texas Chapter Meetings

Fort Worth Satellite Meeting for November 2nd

Room: The room is a 12-person conference room for the Legacy Bank location.

Setup: There is a conference-style speaker phone in the room, so sound quality should be great. Food is allowed in the room.

Contact: Marce Farr (Marce.Farr@legacytexas.com) RSVP required by 5 p.m. Monday, **November 1**.

*Our November presenter is aware of the satellite set-up and has no concerns. All RSVP participants will have the presentation prior to the meeting, so each person can have a print copy.

COMING THIS MONTH....

Lori Jamison, CBCP, IPRC, PMP

Providing Security During Uncertain Times – How Project Managers can assist in Keeping Companies Safe.

Use your project management skills to drive Business Continuity strategies within your company. Learn the steps in creating, testing and maintaining a Business Continuity and Disaster Recovery Program using your project management expertise. The presentation will discuss various tools such as a Business Impact Analysis, Security Risk Assessments, Business Continuity and Disaster Recovery plans.

Speaker Biography:

Lori is the Global Information Security Manager of Risk and Contingency Management for McAfee, Inc. and reports to the Chief Security Officer.

She is a Certified Business Continuity Professional (CBCP), an ITIL Practitioner in Release and Control and a Project Management Professional (PMP). She is a member of the Information Systems Auditability and Control Association (ISACA) and is the past Program Director of the PMI Dallas - Plano Breakfast meeting. Lori is also a certified Life Coach and assists in various not-for-profit organizations.

Extensive knowledge in technical integration and engineering, product development, release/change management, project management, and marketing from major corporations in the DFW area. Effective in handling customer/client care situations, evaluating and minimizing risk, bringing diverse groups together to achieve optimal success and managing high visibility project implementations. An innovative, technically savvy team leader with an exceptional customer focus attitude. Hands on experience with:

- Information Security
- DR/Business Continuity
- Leadership Mentoring
- Risk Management
- Client/Customer Care
- Release/Change Management
- Quality Assurance
- Sarbanes-Oxley
- Product Delivery
- Operational Support
- International Experience
- Budget Management

An Information Security Manager with 15 years of domestic and international experience in the IT arena.

Congratulations to the new 2011 ACP Officers!
