JULY 2011

### Quote of the Month

"However beautiful the strategy, you should occasionally look at the results."

*Winston Churchill*

## President's Comments...

**\*\*Please note our July meeting will take place the second Tuesday of the month, due to July 4<sup>th</sup> holiday\*\***

We are looking forward to our July meeting, when we'll have the opportunity to tour the National Scouting museum. More details can be found on the third page of the newsletter. The satellite locations will be operational for your convenience. Members who wish to use either location MUST reserve space no later than noon on the Monday before the meeting.

As mentioned in our last newsletter, attendance at the satellite locations has been very limited. If you are interested in using one of the satellite locations, I encourage you to make it a priority for August. Unless participation at the satellite locations increases, we will discontinue the program.

Otherwise, plan to join us at the Boy Scouts location in Irving on Tuesday, July 12th.

*--Mike*
