Where were the nation's most powerful hurricanes three days before landfall?

**All tropical storms!
All rapidly strengthened!!**

Hurricane Safety

What Can You Do?

- Prepare, Prepare, Prepare – **NOW is the time...**
BEFORE A Hurricane Threatens!!!
- Recognize and Know your vulnerabilities
- Prepare Emergency Supplies Kit (3-7 days)
 - Be Ready for **Multi-day Power Outages**
 - **Bottled Water (1 gallon per person per day)**
 - **Non-perishable Foods – canned meat, peanut butter, baked beans, etc.**
 - **Flashlight(s), Battery Operated/Crank Radio and extra Batteries**
 - **Piece Supplies Kit Together Over Time**

The End!!
